

```
image.main();
Enter row and column size
3
4
```

Enter elements of original matrix

Enter row1:

```
12
34
54
56
```

Enter row2:

```
9
87
60
32
```

Enter row3:

```
91
72
83
17
```

Input array:

```
12  34  54  56
9   87  60  32
91  72  83  17
```

Mirror image of array

```
56  54  34  12
32  60  87  9
17  83  72  91
```
